Dear Mr. Hanson:

Re: Acceptance for Temporary Trust Donation of Surface Water No. 5772(C)

The purpose of this letter is to acknowledge Department of Ecology's acceptance of your donation to the Washington State Trust Water Rights Program (TWRP). The trust water right has been assigned the ID number 5845271. Please refer to that number when corresponding with Ecology about this trust water right.

The Department of Ecology, pursuant to RCW 90.42.080(1)(b), acknowledges your donation in the amount of 80 gallons per minute and 40 acre-feet per year, for 45 acres. The purpose of the donation is to benefit the in stream flow in the Welsh Creek and ground water preservation, in Lincoln County, Washington from August 15, 2013 to August 14, 2018.

This trust water right expires on August 14, 2018.

The parent water right, Surface Water Certificate 5772(C), authorized the withdrawal of 80 gpm and annual quantity of 40 acre-feet, for the irrigation of 45 acres during the irrigation season. The recorded place of use is located: 30 acre parcel described as the E $\frac{1}{2}$ SW $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 13 except any portion lying within Hanson Harbor Subdivision 1, and the adjoining E $\frac{1}{2}$ W $\frac{1}{2}$ SW $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 13 and a 15-acre parcel described as the SE $\frac{1}{4}$ SE $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 14 and the adjoining N $\frac{1}{2}$ NE $\frac{1}{4}$ NE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 23, all in Township 28 N.; Range 33 E.W.M., in Lincoln County, Washington.

Section 90.42.080 provides in part that the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Rights Program.

Ecology's acceptance of the donated water right into the Trust Water Rights Program is not evidence of the validity or quantity of the right. When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water program and for the original purposes.

If, prior to expiration of your donation, you elect to extend the term of this temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your letter must include the new terms. Ecology will review your request of any new or modified terms and conditions and you will be notified if the donation can be extended.

If you have questions or concerns, please call Ying Fu at (509) 329-3451.
